Group Quality Policy

B&B Group provides Design, Project Management, Manufacturing, Installation and Commissioning of Structural Steelwork, Plant and Equipment to Public and Private Sectors in the UK and overseas. The Company aims are to continue to safely deliver high quality solutions that provide value to its clients.

In support of these aims the Group:

- Implements and maintains a Quality Management System that:
 - Complies with ISO 9001:2008
 - Is certificated by a suitably accredited body
 - Enables customers' requirements to be successfully achieved.
- Invests in the Company's staff to maintain and develop the Company's expertise.
- Invests in modern design and manufacturing techniques that provide efficient high quality products.
- Regularly monitors and reviews it's performance against client satisfaction.
- Promotes continuous improvement culture that will enable the Group to continue to increase its market share.

This Quality Policy and our management systems are regularly reviewed to ensure that they are adequate and effective in satisfying the Company's aims and objectives.
